

Architectural Technology Materials & Tools List (REVISED) — 2017

- You must have ALL items listed below to insure a successful second year in the Architectural Technology program at Stevens.
- Items listed below include: Item Number; Item Description; Catalog Number (specific to the vendor listed), Vendor; Estimated Cost.
- You are NOT required to purchase the exact items listed or use the vendors listed but you do need ALL the items described (IE, the 25' tape measure does not have to be Stanley Bostitch as listed but you do need a 25' tape measure).
- You will need one of each item except as noted under description (**TWO**)
